

# HAPPY ANNIVERSARY

## Anniversary Party - a Night to Remember

Gold Coast Language Schools celebrated its first birthday last Friday with a 'Black & White' themed party for students and staff. Past and current students enjoyed a complimentary buffet and bar service while dancing the night away to the sounds of the DJ. The party was a thank you to all the wonderful students we have had the pleasure of teaching since the College opened in 2007. It was wonderful to see the students making new friends and enjoying themselves. We look forward to your continued support over the coming year and the opportunity of making the learning experience for your students a very special one.
